Change of Address:

- **Canada Post – Temporary change of address**

Web: <http://www.canadapost.ca/cpo/mc/personal/productsservices/receive/coapermanent.jsf>

Whether moving or temporarily relocating to a new home or office, Canada Post's Mail Forwarding service allows you to rest easy knowing that you're not missing important mail and that your personal information stays safe. The service forwards your mail from your old address to an alternate address anywhere in Canada or in the world, enabling you to focus on the task of moving/relocating and to take your time to update your address on file with people that need to know.
